Service description

CRISP Wireless provides an internet service to your premises via Fixed wireless technology to deliver fast internet. Our install team will position a small receiver dish on your roof that talks to our network via one of many transmission towers around Regional W.A. We will connect the antenna to your router via a data point or direct cable connection within your premises.

Availability

CRISP Wireless is only available if your premises have line of sight to our towers. You can check availability by contacting our sales team on 1300 027 477 (1300 0CRISP).

Requirements

To facilitate connectivity, you will require a router, however, we do not provide technical support for a BYO router.

Our router prices start from \$150. Our team will program the router for you prior to installation, enabling you to achieve immediate internet connectivity once the installation is complete.

Minimum term

CRISP Wireless Business plan a 36-month fixed-term contract (early termination fees apply).

Setup fees (Standard Install)

Contract Term	Charge
Month-to-month	\$599
12-month	\$547
24-month	\$500

Other charges

Item	Application	Charge
Static IP address	Optional extra, for the provision of a static IP address.	\$10 per month
Transaction Fee	Direct Debit Rejection	\$15
Early Termination Fee (ETF)	Applicable when service is terminated during contracted term	\$750

* All antennas remain the property of CRISP Wireless Pty Ltd.

Early termination charges

If you enter into a fixed-term contract and cancel or choose to move to new premises during the term, early termination fees (ETF) are applicable.

Regardless of your contract term, the hardware on your rooftop remains the property of CRISP Wireless and must be collected within two weeks of service cancellation. If we are not granted and facilitated access to the property during this time, an additional fee of \$150 will be charged.

The following early termination charges apply – ETF plus:
